Paragraph Practice:

Doug and Barb met at college. He played the drums in the marching band and she was on the drill team. After a year of dating, Doug proposed marriage to Barb during half time at a football game. She gave him a big hug and a kiss, and she said yes! Doug and Barb now have five kids, two dogs, a horse, a pig, and a bird. They live on a farm just a short drive up the road from Barb's mom and dad. The secret to a happy family, they say, is to love well, forgive often, and never hold a grudge.
