Visualization: Design Worksheets Survey

During your final project, we utilized several design activity worksheets: Understand, Ideate, Make, & Deploy. Please provide honest feedback on your use and opinion of these teaching materials.

Check all that apply. Understand Ideate Make Deploy 2. Why is that? 3. Which worksheets were the least helpful? Did a particular worksheet hinder the generation and evaluation of artifacts? Did any worksheet fail to build up your confidence in the desig process? Check all that apply. Understand Ideate Make Deploy	1.	Which worksheets were the most helpful? Did a particular worksheet help you generate and evaluate artifacts? Did any worksheet build up your confidence in the design process?
Ideate Make Deploy 2. Why is that? 3. Which worksheets were the least helpful? Did a particular worksheet hinder the generation and evaluation of artifacts? Did any worksheet fail to build up your confidence in the desig process? Check all that apply. Understand Ideate Make Deploy		• • • • • • • • • • • • • • • • • • • •
Make Deploy 2. Why is that? 3. Which worksheets were the least helpful? Did a particular worksheet hinder the generation and evaluation of artifacts? Did any worksheet fail to build up your confidence in the desig process? Check all that apply. Understand Ideate Make Deploy		Understand
Deploy 2. Why is that? 3. Which worksheets were the least helpful? Did a particular worksheet hinder the generation and evaluation of artifacts? Did any worksheet fail to build up your confidence in the desig process? Check all that apply. Understand Ideate Make Deploy		Ideate
