Very very nice It looks really good and man what a lot of practise material! Great Quality and Easy to follow! You get so many work sheets that you can always access and re-print whenever you like! Great quality for a great price! Wonderful!! Customer service is wonderful and the book is great! SO many pages!!! Great.....way to start writing Korean alphabets. Korean for Beginners Super pleased with this ! Love it Great Value for money I bought a bundle with several PDFs and was quite surprised to find out just how many pages were in each set. I do not think I could have bought a book for so little. I love the fact that I can print out many copies and the instructions are clear and helpful. I am not new to this but is is many years since I did any hand lettering and this is just the thing to get me started again Adore!! Ótimo para treinar a caligrafia coreana. ¡Incríbles! Compré el set de 6 libros y estoy muy satisfecha con mi compra. Gracias Excelente!!! Apenas voy a empezar mi curso!! Espero que súper bien! Thank you I finally found what I wanted to learn lettering (sorry for my english). A wonderful course Far more than I was expecting. Well organized and easy to follow. My writing is better after only an hour with the system. Easy instructions This teaches you in easy steps how to write in calligraphy! It has improved my writing so much. Literally awesome The package gives you SO much for your money it's insane ♥ thank you so much! I feel like I've improved a little even over a day ♥ Great worksheets Love the worksheets. Helps improve my calligraphy tremendously! Amazing product My wife love yo do calligraphy with these templates Exactly what I needed! Thank you. These are a very useful product to help me improve my handwriting and lettering skills. That is useful during the holidays to make greeting cards more ledgible. I really appreciate the helpful worksheets! Great worksheet Amazing. i love the variety of brushes!! If you're coming to Korea for the first time, the most important thing to do FIRST is learn the alphabet. Even if you study absolutely no grammar or vocabulary, learning the alphabet is essential to your happiness and success in Korea. It's also the easiest part of Korean to learn. You can learn the entire alphabet in a single afternoon (or in a single blog post!). Here is the complete collection of vocabulary papers from the Beginner Class (including the first 200 words in the True Beginner class). Supplementary vocabulary is not included here, so the total amount of vocabulary contained here is 900 words.
