Punctuation is a commonly accepted group of signs and symbols that divide words into meaningful groups and help them make sense to a reader. So they only cover the Full stop, the Question Mark and the Exclamation Mark. We will create more advanced resources and punctuation worksheets covering other punctuation marks in due course so keep a look out for them. A piece of writing without any punctuation marks would be confusing and difficult to read or understand. But writing cannot convey the same. Children need to understand that the sentences they write will be read by someone and readers must be able to make sense of them. Learning about punctuation becomes more important as your child progresses through his studies. We also have loads of vocabulary worksheets, grammar worksheets, and reading worksheets. These worksheets focus on students understanding the difference between different types of sentences (statements, questions, imperative / exclamatory) and the punctuation which follows them. That's why we use punctuation marks. These worksheets are aimed at introducing the concept of punctuation marks to younger or beginner learners of English.
