Kindergarten worksheet Please help us spread the word: Free Preschool Worksheets The idea behind this website is to make a place where parents, teachers, and childcare professionals can download and print free educational resources for preschoolers. Preschool-aged children will benefit the most from the free printable worksheets on the site right now but we also plan on adding additional resources for younger kids. Worksheets Cover English, Math, Activities, and General Learning Our free worksheets are broken down into four main categories and cover different areas of early childhood education. The preschool English worksheets category includes spelling, reading, rhyming, phonics, and alphabet printables. They are designed for preschoolers' cognitive and literacy development. The preschool activity worksheets category includes scissors practice, mazes, connect the dots, coloring, and tracing printables. They help children with developing fine motor skills and critical thinking ability. The preschool math worksheets category includes shapes, position and order, numbers, measurement, and counting printables. Children will become familiar with basic math skills. The preschool learning worksheets category includes weather, holiday, seasonal, colors, and telling time printables. They are a wonderful way for kids to learn the fundamental aspects of life. All of our free preschool worksheets can be downloaded in the PDF file format and then printed or you can print the worksheets directly in your browser. Free to Use Anywhere including Preschools, Daycare Centers, Summer Camps, and at Home One of the more common questions we get is "What are we allowed to do with the worksheets?". You can do everything you want with our free daycare worksheets except sell them. Print as many as you want and make as many copies as you would like. You are also allowed to use our free worksheets anywhere, whether it be a preschool, summer camp, kindergarten, home, or a local daycare center. We want the worksheets we have created to be used by as many kids as possible. These Preschool Printables are Different Daycare worksheets cannot just be handed out and expected to be completed. A toddler who is two years old and a preschooler who is four years old learn differently than older children. Younger kids need to have different types of engagement in order to facilitate learning. Many of our preschool worksheets have more than one way they can be utilized. Teachers and parents can print a worksheet and then make learning game or activity out of it. Childcare professionals can also put together lesson plans using the free printables that can fit into a prekindergarten curriculum.
