Music is an important component to our life. It brings joy and a feeling a peace. In young children, listening to age appropriate music helps them to learn numbers and letters. Listening to music helps to promote concentration. It may even help improve test scores. According to the Gallup Poll, American Attitudes Toward Music in 2003, “71% of Americans surveyed by the Gallup Poll believe that teenagers who play an instrument are less likely to have disciplinary problems.” It is important for children to have music education. There are many sites online both free and low cost to help teachers with lesson plans, find worksheets, discuss the history of music and to make music fun. Music History Music Fun has been creating and producing quality music teaching resources since 1991 and these have proven very popular with music teachers in Primary and High Schools, and with private teachers throughout Australia, New Zealand and around the world. A huge range of resources has been created by music teachers for music teachers and these are now available to download. We believe that learning music should be enjoyable. Music Fun products provide ways of learning the rudiments of music through fun and games. Please browse through our increasing range of downloadable worksheets. We have added to our range of concert band arrangements and have a number of 'easy band arrangements' suitable for primary school students as well as many sets of flash cards and playing cards. You may choose from a large range of resources dealing with various music concepts such as note names in different clefs, music symbols, Italian words, time and key signatures, composers, etc. Band directors may choose from our downloadable concert band arrangements. These are available for immediate download from this website. Choose and download your chosen worksheets in pdf format. We also have teacher resources to download which make the organisational aspects of music teaching easier for the teacher - student record sheets, teaching schedules, assessment sheets, term planners, progress reports, student fee records, merit certificates, etc., etc. Australian School Music Teachers We can post you a book of worksheets at no cost whatever - not even the postage. There are five books to choose from. Each one has at least 24 good quality A4 size worksheets, giving you the opportunity to have a set of your favourite worksheets on hand to use in your classroom whenever you need. There is no obligation to buy anything at any time. Click on the link at the bottom of this page to choose and order your book. Please return to this site often as we regularly change and increase our range of products. Besides music ..., do you also teach Australian history?Click here for more information and links to books by Susan E. Boyer. Susan's books include: Across Great Divides - personal experiences of people living in and around Australia's first colony. People in Australia's Past - their stories, their achievements and now for younger readers, 'Stories of Life at Sydney Cove' Read the full description Disclaimer: As with all children's products, adult supervision is required.
