Handwriting worksheets for 1st grade

Instructions: Just type in the child's name or short sentence and click on the Make worksheet button below. We'll make the right handwriting worksheet for you in seconds! If you have a long phrase that doesn't fit when printing - switch your computer print setting to landscape mode. This can usually be done by selecting the file (upper left) - Page Setup- Landscape. It can also be changed to your print preference section. So let's get to work! Type in your phrase below. Back Font Index Report This ad free printable English handwriting practice worksheets in print manuscript and cursive script fonts also in this digital age, the art of handwriting has not lost its importance in education. Many schools now require that students entering kindergarten be able to write print manuscript alphabets, as well as their names. While cursive script writing took a backseat for several years, its usefulness has been rediscovered, and students in upper elementary grades are re-learning how to write in cursive. Below, you will find a large assortment of different handwriting practice worksheets that are all free to print. Some icons link to new pages of worksheets, such as famous quotes. There are other basic alphabet tracing. Whether you're a classroom teacher or a parent teaching kids to write at home, you'll find plenty of great worksheets here.
