

PRETERITE: PART I – REGULAR VERBS

To conjugate regular **-AR** verbs in the preterite, drop the **-AR** & add the appropriate ending:

yo **é**
 tú **aste**
 él, ella, Ud. **ó**
 nosotros **amos**
 vosotros **asteis**
 ellos, ellas, Uds. **aron**

To conjugate regular **-ER** and **-IR** verbs in the preterite, drop the **-ER/-IR** & add the appropriate ending:

yo **í**
 tú **iste**

 nosotros **imos**
 vosotros **isteis**
 ellos, ellas, Uds. **ieron**

Here are all three regular preterite verb forms together:

Note: Nosotros forms for **-AR** and **-IR** verbs are the same in the preterite and present tenses.

The general rule for using preterite: **The preterite tense is used for past actions that are seen as completed.** More specific rules for preterite usage are:

* The preterite is used for actions that happened a specific number of times (including once).

Ayer escribí tres cartas. *Yesterday I wrote three letters.*

* The preterite is used for actions that interrupt.

Estudiaba cuando me dormí. *I was studying when I fell asleep.* (notice *estudiaba* is imperfect)

PRETERITE: PART III – STEM-CHANGING VERBS

-AR and **-ER** verbs that change their stem in the present tense **do not** change in the preterite. They are conjugated just like other regular preterite verbs.

Present	Preterite	Present	Preterite
ENTENDER	ENTENDER	CERRAR	CERRAR
entiendo	entendí	cierro	cerré
entiendes	entendiste	cierras	cerraste
entiende	entendió	cierra	cerró
entendemos	entendimos	cerramos	cerramos
entendéis	entendisteis	cerráis	cerrasteis
entienden	entendieron	cierran	cerraron

-IR verbs that change their stem in the present tense **do** change in the preterite, but in a different way. They change **e→i** and **o→u** in the third person, singular and plural (*él, ella, Ud., ellos, ellas, Uds.*).

Present	Preterite	Present	Preterite
PREFERIR	PREFERIR	DORMIR	DORMIR
prefiero	preferí	duermo	dormí

prefiere	prefirió	duerme	durmió
preferimos	preferimos	dormimos	dormimos
preferís	preferisteis	dormís	dormisteis
prefieren	prefirieron	duermen	durmieron

PRETERITE PART III: PRACTICE

A. Fill in the missing letters to form the correct preterite conjugation (REMEMBER –AR and –ER verbs don't stem-change in the preterite, the only changes are e→i and o→u, and only third person subjects change).

17. Did the old lady die? ¿ _____ (morir) la mujer vieja?

PRETERITE: PART IV – SPELLING CHANGE VERBS

In order to preserve the sound of the infinitive, several verbs change spelling in the preterite tense.

The following changes occur in the *yo* form only: Here are three examples:

Verbs that end in **-GAR** change **g** to **gu**

yo jugué (jugar)

Verbs that end in **-CAR** change **c** to **qu**

yo busqué (buscar)

Verbs that end in **-ZAR** change **z** to **c**

yo almorcé (almorzar)

For verbs that end in **-AER**, **-EER**, **-OÍR**, and **-OER**, the *él/ella/Ud.* ending changes to **-yó** (rather than **-ió**) and the *ellos/ellas/Uds.* ending changes to **-yeron** (rather than **-ieron**). The remaining endings get a written accent over the *í*.

CREER	CAER	OÍR
creí	caí	oí
creíste	caíste	oíste
creyó	cayó	oyó
creímos	caímos	oímos
creísteis	caísteis	oísteis
creyeron	cayeron	oyeron

Verbs that end **-UIR** change the same way, but the written accent over the *í* only occurs in the *yo* form.

CONTRIBUIR	
contribuí	contribuimos
contribuiste	contribuisteis
contribuyó	contribuyeron

- We heard the rumor at school. Nosotros _____ (oír) el rumor en la escuela.

PRETERITE: PART V – IRREGULAR STEM VERBS #1

A number of verbs that are irregular in the preterite follow a particular pattern. While their stems change, they all take the following endings:

yo **e**
 tú **iste**
 él, ella, Ud. **o**
 nosotros **imos**
 vosotros **isteis**
 ellos, ellas, Uds. **ieron**

Here are the verbs, along with their corresponding stem changes:

Infinitive	Stem Change	Infinitive	Stem Change
ANDAR	anduv-	PONER	pus-
ESTAR	estuv-	SABER	sup-
TENER	tuv-	HACER	hic-
HABER	hub-	QUERER	quis-
PODER	pud-	VENIR	vin-

Here are two examples of how this pattern is applied:

ESTAR (estuv-)	SABER (sup-)
estuve	supe
estuviste	supiste
estuvo	supo
estuvimos	supimos
estuvisteis	supisteis
estuvieron	supieron

Note: The one exception is the *él/ella/Ud.* form of **hacer**. The **c** changes to **z** to form **hizo**.

- tú *estar* **estuv**_____

PRETERITE: PART VI – IRREGULAR STEM VERBS #2

Some irregular verbs follow a pattern in their irregularity. Verbs that end **-UCIR** or **-AER** have the same irregular end to their stem. **DECIR** also follows the pattern.

Infinitive -UCIR	Stem Change -uj-	Infinitive -AER	Stem Change -aj-	Infinitive DECIR	Stem Change dij-
TRADUCIR	traduj-	TRAER	traj-		
PRODUCIR	produj-	DISTRAER	distraj-		
CONDUCIR	conduj-	MALTRAER	maltraj-		

They use the same endings as the other irregular stem verbs (see PRETERITE: PART V), with the exception of the *ellos/ellas/Uds.* form, which loses the *i*.

<i>yo</i>	e
<i>tú</i>	iste
<i>él, ella, Ud.</i>	o
<i>nosotros</i>	imos
<i>vosotros</i>	isteis
<i>ellos, ellas, Uds.</i>	eron ←(NOT <i>ieron</i>)

PRETERITE REVIEW

The general rule for preterite is: **The preterite is used for past actions that are seen as completed.**

To review some of the specific rules for using the preterite:

- * For actions that happened a specific number of times (including once)
- * For actions that interrupt.
- * For actions that occurred for a specific amount of time.
- * For action-oriented events.

While there are regular verbs and regular verb endings in the preterite tense, there are also many irregular verbs, irregular stems, spelling changes, and exceptions to the rules that you must become familiar with. Many of the most commonly used verbs are irregular.

PRETERITE REVIEW PRACTICE

A. Conjugate the verbs for the subjects given. Pay attention to irregulars, stem-changers, and spelling changers.

 ellos, ellas, Uds. **aban**

To conjugate regular **-ER & -IR** verbs in the imperfect, drop the **-ER/-IR** and add the appropriate ending:

IMPERFECT: CONJUGATION REVIEW

The general rule for imperfect is: **The imperfect is used for past actions not seen as completed.**

To review some of the rules for using the imperfect:

- * For actions that were repeated habitually (“always/used to ____”).
- * For ongoing actions (“were/was ____ing”).
- * For time & dates.
- * For most descriptions: age, physical appearance, personality, emotions, conditions, physical sensations, weather, etc.

Most verbs are regular in the imperfect, but the three irregulars are very common and must be memorized.

A. Conjugate the verbs for the subjects given. Pay attention to irregulars.

- | | |
|---------------------------------|---------------------------------------|
| 1. yo <i>hablar</i> _____ | 11. yo <i>buscar</i> _____ |

23. The girls used to like Justin Bieber. _____
24. It was 8:00am on Saturday. _____

IMPERFECT: USAGE REVIEW

The general rule for imperfect is: **The imperfect is used for past actions not seen as completed.**

To review some of the rules for using the imperfect:

- * For actions that were repeated habitually (“always/used to ____”).
- * For ongoing actions (“were/was ____ing”).
- * For time & dates.
- * For most descriptions: age, physical appearance, personality, emotions, conditions, physical sensations, weather, etc.

One way to determine if a verb is actually the imperfect is to try substituting one of the following:

was/were ...ing

used to ...

would (meaning used to) ...

The following examples show how to use this substitution test for the imperfect:

I **worked** in the agency during the day. → I **was working** in the agency during the day.

I **visited** my grandmother every day. → I **used to visit** my grandmother every day.

Every afternoon I **took** a nap. → Every afternoon I **would take** a nap.

IMPERFECT USAGE PRACTICE

A. Try substituting *was/were ...ing, used to ..., or would ... (meaning used to ...)* for the underlined verb to determine whether the tense should be imperfect or preterite.

- | | |
|---|--|
| 1. He <u>wore</u> a white shirt to the party.
_____ llevó
_____ llevaba | 4. Juan <u>ran</u> ten miles.
_____ corrió

_____ leyó
_____ leía |
| 3. I <u>prepared</u> dinner when the doorbell rang.
_____ preparé
_____ preparaba | 6. Julia <u>ran</u> most mornings.

10. It was cloudy. _____
